4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, * Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order ; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued ; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor ; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

OPIUM NOTIFICATION.

NOTICE is hereby given, that a number of balls with broken or imperfect envelopes having been discovered in the third and fourth dispatches of Benares Opium, no Opium of those dispatches will be exposed to Sale until the whole shall have been carefully examined and the uninjured balls weighed and repacked under the Superintendence of a Covenanted Officer of Government.

The injured balls will be returned to the Benares Agency to be re-made, as the Opium is of excellent quality, in part of the provision for the Sales of 1840; and although it is not possible to determine as yet with any accuracy the number of balls which it may be necessary so to return to Ghazeepore, there is every probability that they will be equal to about Five Hundred ~~and~~ Chests.

ADVERTISEMENT.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

Council Chamber, the 7th August, 1832."

ext, or on the other hand, failing such redemption by the time aforesaid, then the Lot or Lots for which no Sub-Treasurer's Receipts, or Deposit of other Public Securities aforesaid, shall have been delivered in, shall be re-sold at such time or times, and under such Conditions of Re-sale as the Board of Customs, Salt and Opium, shall see fit, and all losses and expences whatever attending such Re-sale, shall be borne and paid by the Defaulters, whilst any profit accruing from such Re-sale shall be forfeited to Government.

Fourth. The Promissory Notes taken on the day of Sale under the last mentioned Conditions, if remaining unredeemed on the said 26th of April next, will be placed in the hands of the Attorney to the Hon'ble Company for realization in such manner as to him shall seem fit.

Fifth. No Tender of Money, Sub-Treasurer's Receipts, or Public Securities on account of Opium upon which the prescribed Deposit may not have been made before 4 o'clock of the 26th April next, will be afterwards accepted.

Sixth. The Opium now advertised for Sale shall be paid for within One Calendar Month from the day of Sale, and in case any Lots of such Opium shall not be so paid for and adjusted, then the Cash Deposit of 1,000 Rupees per Lot, or 200 Rupees per Chest, or any Public Securities that may have been deposited on account of such Lots or Chests, shall be forfeited, and the Opium be disposed of on account of Government at such time and in such manner as the Board of Customs, Salt and Opium, shall think fit.

Seventh. No Sub-Treasurer's Receipts, or Deposit of Public Securities under the third of the present Conditions, will be received in this Office except from the party recorded as the Purchaser in the Sale Book, or his authorized Agent. The Receipt for such Deposit will be granted only in the name of such Purchaser, and the Public Securities deposited will be returned when the clearance has been made by the said Purchaser or his order.

Eighth. The Officer Superintending the Sale on the part of the Board of Customs, Salt and Opium, is empowered to reject at his discretion the bid of any individual, unless such individual shall on demand tender at the time a Deposit either in Bank of Bengal Notes, Sub-Treasurer's Receipts, or other Government Securities equal to One Thousand Rupees per Lot (or Two Hundred Rupees per Chest,) on each Lot so bid for.

Ninth. The Purchaser of any Lot shall have the option of naming and purchasing in immediate succession any number of Lots of the same Agency Opium to the extent of Fifty Lots; and for the Lots so purchased, the Purchaser shall deposit 1,000 Rupees per Lot, and pay the same price per Chest as that for which he purchased his first Lot, provided always that there remain a sufficient number of Lots of that Opium to complete the said Fifty but not otherwise.

Tenth. In the event of any dispute or difference touching or concerning any matter, or question arising out of the Sale of the Opium included in this Notification, or adjustment of the account thereof, the same shall and may be tried and decided in the Supreme Court of Judicature at Fort William in Bengal, and all and every Plea and Pleas to the Jurisdiction of the said Supreme Court shall be waived.

Eleventh. The following Papers, together with Samples of the Opium for Sale, will be exhibited for inspection on the day of Sale, or may be seen previously to that by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

No. 1. Certificate of the Opium now advertised for Sale.

No. 2 Report of the examination of such Opium.

Twelfth. The Public are hereby informed, that in providing the Investment of the Behar and Benares Opium for the year 1837-38, the same precautions have been taken as those which have been observed during past Years, to have the Drug procured and sent down in a pure state, to have only the prescribed quantity of Leaves used in forming the Cakes, and to have the due proportion of Opium put into each Cake. An account of the Weight of the Drug when packed at Behar and Benares, and a Statement of the average Weight of Six Chests from each dispatch at Calcutta, may be seen on application at the Office of the Secretary to the Board of Customs, Salt and Opium.

Thirteenth. Four Chests of Behar and Benares Opium which have been reserved from the provision of the two preceding years, will also be shewn to the Purchasers on the day of Sale, to enable them to judge of the state of preservation in which the Drug has kept.

Fourteenth. The Public are hereby informed, that in addition to the quantity sold at the Sales of January and February, and that now advertized for Sale on 22d April, making together 12,900 January Sale, 7,000 Chests are shewn in the February Ditto, 2,500 margin, 7,000 Chests more April Ditto, 3,400 or less of Behar and Benares Opium will be brought to Sale this year on or about the dates specified below:

27th May, 1839.

Fifteenth. Application having been made by the French Authorities for the 300 Chests of Opium deliverable to them under the 6th Article of the Convention between Great Britain and France dated the 7th March

1815, in the proportions stated Sale of January, .. 35 in the margin, it is hereby notified that in the event of the " February, .. 30 whole, or any portion of the " April, .. 60 Opium thus claimed by the " May, .. 90 French Government not being " July, .. 85 cleared out within the limited Total Chests, .. 300 period allowed for clearance, viz, one month from the date of the Sale, such quantity of Opium (or any part thereof) as may remain uncleared, will be sold at the Sale next ensuing the date of payments, or disposed of at a Sale to be held expressly for the purpose.

By Order of the Board of Customs, Salt and Opium,
S. G. PALMER, *Actg. Secy.*

OPIUM NOTIFICATION.

NOTICE is hereby given, that a number of balls with broken or imperfect envelopes having been discovered in the third and fourth dispatches of Benares Opium, no Opium of those dispatches will be exposed to Sale until the whole shall have been carefully examined and the uninjured balls weighed and repacked under the Superintendence of a Covenanted Officer of Government.

The injured balls will be returned to the Benares Agency to be re-made, as the Opium is of excellent quality, in part of the provision for the Sales of 1840; and although it is not possible to determine as yet with any accuracy the number of balls which it may be necessary to return to Ghaznpore, there is every probability that they will be equal to about Five Hundred Chests.

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN, makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography—and not only so, but into the nature and treatment of the Endemic diseases of the place.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

It presents an admirable specimen of what a treatise on Medical Topography ought to be."—From the *Medico-Chirurgical Review*, No. 57, for July, 1838.

An account of the Weight of the Drug when packed Behar and Benares, and a Statement of the average Weight of Six Chests from each dispatch at Calcutta, may be seen by application at the Office of the Secretary to the Board of Customs, Salt and Opium.

OPIUM NOTIFICATION.

NOTICE is hereby given, that a number of balls with broken or imperfect envelopes having been discovered in the third and fourth dispatches of Benares Opium, no Opium of those dispatches will be exposed to Sale until the whole shall have been carefully examined and the uninjured balls weighed and repacked under the Superintendence of a Covenanted Officer of Government.

The injured balls will be returned to the Benares Agency to be re-made, as the Opium is of excellent quality, in part of the provision for the Sales of 1840; and although it is not possible to determine as yet with any accuracy the number of balls which it may be necessary so to return to Ghazepore, there is every probability that they will be equal to about Five Hundred Chests.

BY JAMES RANALD MARTIN,

Presidency Surgeon and Surgeon to the Native Hospital.

PRINTED BY ORDER OF GOVERNMENT.

"Upon the Moral, Physical and Political condition of the Inhabitants of Calcutta, European, Native and Foreign, Mr. MARTIN makes numerous and sensible remarks, which must be very interesting to our oriental countrymen, but which we cannot dwell upon here. The work must have cost the Author immense pains, as it goes most minutely into all the details and ramifications of Medical Topography—and not only so, but into the nature and treatment of the Endemic diseases of the place.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

It presents an admirable specimen of what a treatise on Medical Topography ought to be."—From the *Medico-Chirurgical Review*, No. 57, for July, 1838.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

deliverable to the East India Company, or endorsed to the order of the East India Company. The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

The Consignor shall be at liberty to make provision, in case of the Party upon whom the Bill is drawn, (being also the Agent) having failed to accept the Bill, for the substitution of another Agent.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

8th.—The rate of Discount to be allowed by the Company shall be the same as that charged by the Bank of England; and in cases where interest shall have accrued, such interest shall be computed at the rate or rates per cent. at which the Company have allowed Discount during the period for which such interest is chargeable.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

By Order of the General Management,

JOHN McQUEEN,

Secy. M. O. S.

Orphan Society's Office, Kidderpore, 5th March, 1839.

ADVERTISEMENT.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

" I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

OPIUM NOTIFICATION.

NOTICE is hereby given, that a number of balls with broken or imperfect envelopes having been discovered, in the third and fourth dispatches of Benares Opium, no Opium of those dispatches will be exposed to Sale until the whole shall have been carefully examined and the uninjured balls weighed and repacked under the Superintendence of a Covenanted Officer of Government.

The injured balls will be returned to the Benares Agency to be re-made, as the Opium is of excellent quality, in part of the provision for the Sales of 1840; and although it is not possible to determine as yet with any accuracy the number of balls which it may be necessary so to return to Ghazerepore, there is every probability that they will be equal to about Five Hundred Chests.

The code of Hygienic Maxims for the guidance of European sojourners concludes the work, which is constructed with great labour, talent and judgement.

SUPPLEMENT TO

The Calcutta Gazette.

Published by Authority.

SATURDAY, APRIL 20, 1839.

FORT WILLIAM, POLITICAL DEPARTMENT,
17TH APRIL, 1839.

The following Convention and Papers annexed, which has been received through the Secret Committee of the Honorable the Court of Directors from Her Majesty's Principal Secretary of State for Foreign Affairs, are published for the information of persons interested in the Trade carried on with the Turkish Dominions.

Convention of Commerce and Navigation between Her Majesty and the Sultan of the Ottoman Empire, with three additional Articles thereunto annexed, signed at Bulta-Liman, near Constantinople, August 16th, 1838.

Convention appended to the capitulations granted to Great Britain by the Ottoman Porte, amending and altering certain stipulations therein contained, as regards the Commerce and Navigation of the two Countries.

During the friendly intercourse which has happily subsisted so long between the Sublime Porte and the Kings of Great Britain, capitulations granted by the Porte, and Treaties concluded between the Two Powers, have regulated the rates of duties payable on merchandise exported from and imported into, the Dominions of the Sublime Porte, and have established and declared the rights, privileges, immunities and obligations of British merchants trading to, or residing in, the imperial territories. But since the period when the above mentioned stipulations were last revised, changes of various kinds have happened in the internal administration of the Ottoman Empire, and in the external relations of that Empire with other powers: and Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Highness the Sultan have therefore agreed now to regulate again, by a special and additional Act, the Commercial intercourse of their subjects, in order to increase the trade between their respective Dominions and to render more easy the exchange of the produce of the one country for that of the other. They have consequently named for their Plenipotentiaries for this purpose, that is to say, Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, the Right Honorable John Brabazon Lord Ponsonby, Baron of Imo-
kelly, a Peer of the United Kingdom of Great Britain and Ireland, Knight Grand Cross of the Most Honorable Order of the Bath, of the Nishan of Honour, &c. &c. &c., Her Majesty's Ambassador Extraordinary and Plenipotentiary at the Sublime Porte, &c. &c., And His Highness the Sultan, the most Illustrious and most Excellent Vizier Mustapha Reshid Pasha, Minister for Foreign Affairs, bearing the decoration belonging to his high rank, a Knight Grand Cross of the Legion of Honour of France, &c. &c., excellent and most distinguished Mustapha Kianee Bey, a Member of the Supreme Council of State, Assistant to the Prime Minister, President of the Council of Agriculture and Industry, a Minister of State of the first class, bearing the two decorations belonging to his offices, &c. &c., and the excellent and most distinguished Mahomed Nourée Efendi, a Councillor of State in the department for Foreign Affairs, bearing the Nishan of Honour of the

first class, &c. &c., who, after having communicated their respective Full Powers, found to be in due and proper form, have agreed upon and concluded the following Articles:—

ARTICLE I.

All rights, privileges and immunities which have been conferred on the Subjects or Ships of Great Britain by the existing Capitulations and Treaties are confirmed now and for ever, except in as far as they may be specifically altered by the present Convention: and it is moreover expressly stipulated, that all rights, privileges or immunities which the Sublime Porte now grants, or may hereafter grant, to the Ships and Subjects of any other Foreign Power, or which it may suffer the Ships and Subjects of any other Foreign Power to enjoy, shall be equally granted to, and exercised and enjoyed by, the Subjects and Ships of Great Britain.

ARTICLE II.

The Subjects of Her Britannic Majesty, or their Agents, shall be permitted to purchase at all places in the Ottoman Dominions (whether for the purposes of internal trade or exportation) all articles, without any exception whatsoever, the produce, growth or manufacture of the said Dominions; and the Sublime Porte formally engages to abolish all monopolies of agricultural produce, or of any other articles whatsoever, as well as all *Permits* from the local Governors, either for the purchase of any article, or for its removal from one place to another when purchased; and any attempt to compel the subjects of Her Britannic Majesty to receive such *Permits* from the local Governors, shall be considered as an infraction of Treaties, and the Sublime Porte shall immediately punish with severity any Vizirs and other officers who shall have been guilty of such misconduct, and render full justice to British subjects for all injuries or losses which they may duly prove themselves to have suffered.

ARTICLE III.

If any article of Turkish produce, growth, or manufacture be purchased by the British Merchant or his Agent, for the purpose of selling the same for internal consumption in Turkey, the British Merchant or his Agent shall pay at the purchase and sale of such articles, and in any manner of trade therein, the same duties that are paid in similar circumstances, by the most favoured class of Turkish subjects engaged in the internal Trade of Turkey, whether Mussulmans or Rayahs.

ARTICLE IV.

If any article of Turkish produce, growth or manufacture be purchased for exportation, the same shall be conveyed by the British Merchant or his Agent, free of any kind of charge or duty whatsoever, to a convenient place of shipment, on its entry into which it shall be liable to one fixed duty of nine per cent. *ad valorem*, in lieu of all other interior duties.

Subsequently, on exportation, the duty of three per cent. as established and existing at present, shall be paid. But all articles bought in the shipping ports for exportation, and which have already paid the interior duty at entering into the same, will only pay the three per cent. export duty.

ARTICLE V.

The Regulations under which Firmans are issued to British Merchant Vessels for passing the Dardanelles and the

Bosphorus, shall be so framed as to occasion to such vessels the least possible delay.

ARTICLE VI.

It is agreed by the Turkish Government, that the regulations established in the present convention, shall be general throughout the Turkish Empire, whether in Turkey in Europe or Turkey in Asia, in Egypt, or other African possessions belonging to the Sublime Porte, and shall be applicable to all the subjects, whatever their description, of the Ottoman Dominions, and the Turkish Government also agrees not to object to other foreign Powers settling their trade upon the basis of this present convention.

ARTICLE VII.

It having been the custom of Great Britain and the Sublime Porte, with a view to prevent all difficulties and delay in estimating the value of articles imported into the Turkish Dominions, or exported therefrom, by British subjects, to appoint, at intervals of fourteen years, a commission of men well acquainted with the traffic of both countries, who have fixed by a tariff the sum of money in the coin of the Grand Signior, which should be paid as duty on each article, and the term of fourteen years, during which the last adjustment of the said Tariff was to remain in force, having expired, the High Contracting Parties have agreed to name conjointly fresh Commissioners to fix and determine the amount in money which is to be paid by British subjects, as the duty of three per cent, upon the value of all commodities imported and exported by them, and the said Commissioners shall establish an equitable arrangement for estimating the interior duties which, by the present Treaty, are established on Turkish goods to be exported, and shall also determine on the places of shipment where it may be most convenient that such duties should be levied.

The new Tariff thus established, to be in force for seven years after it has been fixed, at the end of which time it shall be in the power of either of the parties to demand a revision of that Tariff, but if no such demand be made on either side, within the six months after the end of the first seven years, then the Tariff shall remain in force for seven years more, reckoned from the end of the preceding seven years; and so it shall be at the end of each successive period of seven years.

ARTICLE VIII.

The present Convention shall be ratified, and the ratifications shall be exchanged at Constantinople within the space of four months.

In witness whereof, the respective Plenipotentiaries have signed the same, and have affixed their seals thereunto. Done at Balta-Liman, near Constantinople, on the 16th day of August, one thousand eight hundred and thirty-eight.

(Signed in the Turkish Original.)

(L. S.) MUSTAPHA RESHID.

(L. S.) MUSTAPHA KIANEE.

(L. S.) MEHEMED NOUREE.

(L. S.) PONSONBY.

ADDITIONAL ARTICLES.

Certain difficulties having arisen between the Ambassador of Her Britannick Majesty and the Plenipotentiaries of the Sublime Porte, in fixing the new conditions which should regulate the commerce in British goods imported into the Turkish Dominions, or passing through the same in transit, it is agreed between His Excellency the British Ambassador and the Plenipotentiaries of the Sublime Porte, that the present Convention should receive their signatures, without the Articles which have reference to the above-mentioned subjects forming part of the body of the said Convention.

But at the same time it is also agreed,—the following Articles having been consented to by the Turkish Government—that they shall be submitted to the approbation of Her Majesty's Government, and should they be approved and accepted by Her Majesty's Government, they shall then form an integral part of the Treaty now concluded.

The Articles in question are the following:

ARTICLE I.

All articles being the growth, produce, or manufacture of the United Kingdom of Great Britain and Ireland and its dependencies, and all merchandize, of whatsoever description, embarked in British vessels, and being the property of British subjects, or being brought over land, or by sea, from other countries by the same shall be admitted, as heretofore, into all parts of the Ottoman Dominions, without exception, on the payment of three per cent. duty, calculated upon the value of such articles. And in lieu of

all other and interior duties, whether levied on the purchaser or seller, to which these articles are at present subject, it is agreed that the importer, after receiving his goods, shall pay, if he sells them at the place of reception, or if he sends them thence to be sold elsewhere in the interior of the Turkish Empire, one fixed duty of two per cent. after which such goods may be sold and re-sold in the interior, or exported, without any further duty whatsoever being levied or demanded on them.

But all goods that have paid the three per cent. import duty at one port, shall be sent to another free of any further duty, and it is only, when sold there or transmitted thence into the interior, that the second duty shall be paid.

It is always understood that Her Majesty's Government do not pretend, either by this article or any other in the present Treaty, to stipulate for more than the plain and fair construction of the terms employed; nor to preclude, in any manner, the Ottoman Government from the exercise of its rights of internal administration, where the exercise of those rights does not evidently infringe upon the privileges accorded by ancient Treaties, or the present Treaty, to British merchandize or British subjects.

ARTICLE II.

All foreign goods brought into Turkey from other countries, shall be freely purchased and traded in, in any manner, by the subjects of Her Britannic Majesty or the Agents of the same, at any place in the Ottoman Dominions; and if such foreign goods have paid no other duty than the duty paid on importation, then the British subject or his Agent shall be able to purchase such foreign goods on paying the extra duty of two per cent, which he will have to pay on the sale of his own imported goods, or on their transmission for sale into the interior; and after that such foreign goods shall be re-sold in the interior, or exported without further duty: or should such foreign goods have already paid the amount of the two duties (i. e. the import duty and the one fixed interior duty) then they shall be purchased by the British subject or his Agent, and afterwards resold or exported, without being ever submitted to any further duty.

ARTICLE III.

No charge whatsoever shall be made upon British goods,—such being the growth, produce, or manufacture of the United Kingdom or its dependencies, or the growth, produce, or manufacture of any foreign country, and charged in British vessels and belonging to British subjects) passing through the straits of the Dardanelles, of the Bosphorus, and of the Black Sea, whether such goods shall pass through those straits in the ships that brought them, or are trans-shipped in those straits, or, destined to be sold elsewhere are landed with a view to their being transferred to other vessels (and thus to proceed on their voyage) within a reasonable time.

All merchandize imported into Turkey for the purpose of being transmitted to other countries, or which, remaining in the hands of the importer, shall be transmitted by him for sale to other countries, shall only pay the duty of three per cent. paid on importation, and no other duty whatsoever.

OFFICIAL NOTE DELIVERED TO LORD PONSONBY BY HIS EXCELLENCY NOUREE EFFENDI, ON THE 27TH OF AUGUST, 1838, RELATIVE TO THE IIID ARTICLE OF THE PRECEDING CONVENTION.

Translation.

It is stipulated by the IIID Article of the Treaty of Commerce, concluded between the Sublime Porte and the British Government on the 25th Djemaziulevel 1254, (16th August, 1838,) that English merchants are at liberty to purchase all kinds of Merchandise in the Ottoman Empire.

But in order that the right of English merchants to sell within the Ottoman Empire, or to export the Merchandise which they may purchase, may not be liable to misconception, the Embassy of Her Britannic Majesty has desired that an explanation should be given on this point, either in the Treaty itself, or in a special Note.

The meaning of the passage, of which an elucidation is requested, is clear, from the relation which the subsequent points in the IIID Article bear to each other.—But we nevertheless repeat, that English merchants may, in virtue of the Treaty, purchase within the Ottoman Empire all kinds of merchandise, may, if they think proper, send the same abroad after having paid duty thereon stipulated by the Treaty, or may, if they

think fit, re-sell the same within the Ottoman Empire, conforming to the arrangements established by the said Treaty with reference to internal commerce.

Such are the arrangements of the Treaty ; and we give explanation to the Ambassador, renewing to His Excellency the assurances of our sincere and perfect friendship.

The 7th Djemaziul-akir, 1254, (27th August 1838.)

DECLARATION AGREED UPON AND SIGNED BY THE RESPECTIVE PLENIPOTENTIARIES UPON THE EXCHANGE OF THE RATIFICATIONS OF THE PRECEDING CONVENTION.

Whereas it appears, on examining the English Translation of the VIIIth Article of the Turkish Original of the Treaty signed at Balta-Liman, on the 16th of August 1838, that certain words are inserted in that Article, in the Turkish language, which have no equivalent words in the English Original of the same Article of that Treaty signed by the British Plenipotentiary, these words being to the effect, that the Treaty is not to come into operation until the first day of March 1839 ; and whereas it is desirable to prevent all doubts which might arise in consequence of the difference between the texts of the English and Turkish Originals of the Treaty ; it is hereby declared to be the understanding of the Plenipotentiaries on both sides, that

the Treaty aforesaid shall begin to have effect on the first day of the month of March, one thousand eight hundred and thirty-nine.

It is further agreed and declared,—the Turkish text of the first of the three additional Articles containing the words "overland, or by sea," and the words "or by sea," having been omitted in the English text, but having been introduced into Her Britannic Majesty's Ratifications,—that these words shall be considered as having the same force and validity as if they had been inserted in the Original Articles signed by the British and Turkish Plenipotentiaries respectively.

Done at Calender, on the 16th day of November, one thousand eight hundred and thirty-eight.

It being understood that Public Officers, in ignorance of the existence and nature of the Orphan Press Contract with Government, occasionally employ other Presses to the prejudice of the Orphan Institution, the General Management deem it expedient to publish, for general information, the following extract of a Letter from Mr. Secretary Prinsep, shewing that the Orphan Press has the exclusive privilege of Printing for Government.

"I am directed to acknowledge the receipt of your letter of the 6th instant, and in reply to state that it is by no means the intention of the Government to withdraw any part of its printing business from the Orphan School Establishment, or to allow Public Officers to give a preference to other Presses. On the contrary, the Vice President in Council has declared his readiness to enquire into every case in which other Establishments may be employed to the prejudice of the interests of the Orphan School, whenever such may fall under his notice or be made the subject of representation.

4th.—The Parties will be required to place in the hands of the Board of Customs, Salt and Opium, * Bills of Lading of the Consignment and Policies of Insurance effected thereon, both in triplicate. The Bills of Lading must be drawn

The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

7th.—After the arrival of the Goods in England and when they shall have been placed in such deposit as may have been agreed upon, the Agent may be put into possession of them before the Bills become due, upon the amount of such Bills (less discount) being paid, together with the Freight and any other charges and expenses which the Company have paid or may be subject to on account of the Goods.

10th.—Parties receiving Advances, to address in each instance a Letter in quadruplicate to the Court of Directors, according to a form which will be furnished by the Officers of Government (or authorized Agents of the East India Company), signifying their assent to all the foregoing conditions, but more particularly for the purpose of expressly authorizing the sale of the Goods by the Company (without either notice to or concurrence of any person whomsoever) at any period after default shall be made either in acceptance or payment of the Bills; also authorizing, in such cases, the re-paying to the Company the Advances made, either principal or interest, together with any other charges or expenses which the Company may have incurred in respect of the Goods, and appointing the Agent in England for each transaction.

Extract of a Despatch from the Hon'ble the Court of Directors in the Financial Department, dated the 17th August, No. 13 of 1838.

FORT WILLIAM,

LEGISLATIVE DEPARTMENT,

THE 22D APRIL, 1839.

Resolved.—That the exclusive right of imposing and modifying taxation upon trade being vested in the Government, it is expedient to declare that no Hucks or Customs on Trade, or alienated share of any item of Revenue, after the abolition or relinquishment thereof by Government, shall be levied after such time as the Governor in Council of Bombay shall issue orders prohibiting the levy thereof; and that all orders heretofore issued by the Governor in Council of Bombay to such effect shall not be questioned.

That it will be expedient to sanction such compensation to persons who have by usage enjoyed Hucks or Customs on trade as may appear to the Governor General in Council to be reasonable.

The following Draft of a proposed Act is accordingly published for general information.

ACT NO. — of 1839.

I. It is hereby declared and enacted, that it shall be lawful for the Governor in Council of Bombay to

issue orders prohibiting the levy of Hucks and fees of every description, and customs, whether by land or sea, enjoyed by holders of rent-free lands or other persons, and of alienated shares of any item of revenue after the abolition or relinquishment thereof by Government.

II. And it is hereby enacted, that the legality of any orders which may have been issued by the Governor in Council of Bombay for prohibiting the levy of any such Hucks, or fees, customs, or alienated shares of any such item of revenue as aforesaid, shall not be questioned in any Court of Law.

III. And it is hereby enacted, that whoever shall levy any such Huck, fee, customs, or item of revenue after any such order prohibiting the same as aforesaid shall have been published in the Government Gazette of the Presidency of Bombay, and by notice fixed at the post or place at which it has heretofore been claimed, or collected, shall be punishable as for an undue exaction under Regulation XVII of 1827, Sec. 16, of the Bombay Code, notwithstanding the offender be not a Revenue Officer of Government.

Ordered, that the said Draft be re-considered at the first Meeting of the Legislative Council of India after the 22d day of July next.
